Course Information

The course runs rain or shine. It is actually fun in the rain with mud and puddles being part of our curriculum. Rain also helps keep the dust down.

Please allow yourself enough time to get to our location. We are approximately a one hour drive north of Toronto's Canada's Wonderland. *Please call in advance if you need additional directions.* Our start time is 8:45 AM for full-day and half-day students.

If you are riding your street motorcycle to the course, you can count on being tired after a full day of off-road riding.

Lunch and refreshments are available at Horseshoe Resort, and they can be ordered right from our location (to be delivered to us during the lunch break). Accommodations are also available (at a discount) at Horseshoe Resort.

Please contact **Horseshoe Resort** to book your accommodations:

Please be aware that **NO ALCOHOL** is permitted on our safety course.

For cold mornings you may want to bring a warm layer of clothes to wear under **the motocross gear we supply**. Bicycle shorts are great for warmer weather as an undergarment. White socks won't be after riding all day!

For riding our Yamaha snowmobiles, we will supply you with bib snow pants, jacket, boots, helmet and gloves.

Students under 18 years of age must have a parent/guardian sign waivers in person.
